

**PRODUCT SPECIFICATIONS**

**sSORB® CB14G**

Silica Gel, Type C, Blue, 1-4 mm, Granular

**PRODUCT DESCRIPTION**

Cat Litter - Blue

| SPECIFICATIONS     |               |              |                     |
|--------------------|---------------|--------------|---------------------|
| Property           | Value         |              | Unit                |
| Form               | Granular      |              |                     |
| Color              | Blue          |              |                     |
| Size               | 1 - 4         |              | mm                  |
| Size Qualification | <u>Target</u> | <u>Range</u> |                     |
| ≥ 4 mm             | < 10          | (0-10)       | % Weight            |
| > 2 mm & < 4 mm    | 90            | (70-90)      | % Weight            |
| ≤ 1 mm             | < 5           | (0-5)        | % Weight            |
| Pore Volume        | 0.8           | (0.8-1.0)    | cc/g                |
| Bulk Density       | 24            | (23-26)      | lbs/ft <sup>3</sup> |
| % Moisture         | 3             | (1-5)        | % Weight            |
| Attrition          | < 5           | (<15)        | % Weight            |
| pH                 | ≈ 7           |              | pH                  |
| % Water Adsorption | > 70          |              | % Weight            |
| Visual Dust        | < 10          |              | Seconds             |

**PACKAGING INFORMATION**

Per customer requirements.

**HANDLING & STORAGE RECOMMENDATIONS**

Store sSORB® silica gel in a dry location to prevent premature water adsorption. Reseal packages after opening to prevent contamination and unintended water adsorption. We recommend that you rotate stock so oldest material is used first.

**HEALTH & SAFETY INFORMATION**

Health and Safety Information is available on product MSDS, which can be downloaded from our web site [www.interraglobal.com](http://www.interraglobal.com) or by contacting Interra Global Corporation at 847.292.8600.
